In line with AB 801, AB 1747, AB 1995, 1/11/2024

Grossmont College has established the Basic Needs Program to assist students in transition. Grossmont College is committed to providing an educational environment that fosters compassion and respect, welcomes diversity, and supports students in various circumstances (including students experiencing housing and food insecurities). To accomplish this, the college has created support programs and resources that assist our students in meeting their basic needs and promoting their academic success. As part of this program, verified homeless youth students enrolled at Grossmont College or Cuyamaca College may be eligible for the following: priority enrollment (Group 1), California College Promise Grant fee waiver, which waives the \$46/unit enrollment fee, use of shower facilities in building 41. Please visit the Basic Needs webpage for information on food pantries: <https://www.grossmont.edu/student-support/basic-needs> (<https://www.grossmont.edu/student-support/basic-needs/>).
