

# CROSS-CULTURAL COMMUNICATION SKILLS CERTIFICATE OF PROFICIENCY

The Ethnic Studies and Gender Studies certificates prepare students to transfer to four-year institutions for continued study in African American Studies, Mexican American/Latino Studies, Asian American Studies, American Indian Studies, or Women's Studies. The department outlined below partially fulfills lower division requirements in those areas. For special requirements, transfer students should consult the catalog of the transfer institution for specific requirements. Ethnic Studies classes in general are helpful for further studies in such diverse fields as history, sociology, ethnic studies, and political science.

This certificate prepares students to work in a job requiring cross-cultural interpersonal communication skills. Cultural proficiency through these courses provides students with a worldview and ways to effectively recognize, respond to, and plan for issues that arise in diverse environments. Completion of these courses prepares a student to integrate cross-cultural knowledge and communication skills when interacting orally or in writing with people of diverse backgrounds and/or identities.
